Subject:-Cancellation of Inam tenure - Inam re:S.No.2 -Hallapur -Belur Taluk - endowed to Sri Basavanna Devaru temple at the place --

Sir,

I have the honour to state that Re S.No.20 wet measuring 0-26 guntas, of Hallapura village, Belur Taluk, has been endowed to Sri Basavanna Devaru temple at the place which has been declared defunct. The land has been lying fallow from 1936 as it is situated at a distance of more than two miles from Hallapur which is a Bechirak village. The temple has been hidden under lantana growth and there is no likeli-hood of revival of worship in the temple. The villagers have no objection to the cancellation of the Inam tenure of the land and its resumption to Government. Agreeing with the local officers, the Deputy Commissioner, recommends sanction to the cancellation of the Inam tenure of the land and to its disposal under current rules, the proceeds being credited to the General Muzrai Fund.

2. The Commissioner, for Settlement and Land Records, who was consulted on the subject, has no objection to the proposal of the Deputy Commissioner.

3. In the circumstances, I request that sanction o

of Government may kindly be obtained to the proposal made by the Deputy Commissioner.

4). A copy of his letter No.A.C.1756/43-44, dated 9th December 1943, and other connected papers are sent herewith for reference.

Re:- Resumption of inam land belonging to Sri Basavanna Devaru temple at Mallapur, Madihalli Hobli, Belur Taluk.

In forwarding herewith correspondence ending with Memo No.C2.C.104/43 dated 18-11-43, on the above subject, I have the honour to state that the temple named above is a village institution endowed with S.No.20 wet measuring 0-26 guntas assessed at Rs.2-8-0 as devadaya inam as per quit rent register, an extract of which is enclosed in the file (P.11)Mallapur is a Beechirak village. It is reported that from the year 1936 no puja is being conducted nor the inam land cultivated. The ryots holding lands in this village state in their mahazar that the temple is in disrepairs that it is hidden under the lanthana growth in the Bechirak site that there is no likelyhood of revival of worship in the temple as there are no villages within the radius of two miles and as such they have no objection to the cancellation of the inam tenure and resumption of the land to Government. The Sub Division Officer, has in the circumstances declared the institution defunct in his order dated 15-7-43. Both the Amildar and Sub Division Officer report that it is not worthwhile of granting this land to any other institution deserving of help as there are none to cultivate the land and recommend that the land may be resumed to Government.

Agreeing with them, I recommend that sanction may be accorded to the cancellation of the inam tenure and resumption of the land to Government and its disposal thereof under darkhast rules, the proceeds being credited to the General Muzrai Fund.
